

**Tym razem udalo nam sie przetlumaczyc ten list na jezyk polski.**

Dear WSS Community,

I hope that this email finds you well. As always, a [video](#) version of this email is available [here](#).

Our three things to share this week are:

1. This week we were visited by Balfour Beatty and Southampton City Council. They came into work with our Year 10 Geographers and Year 10 Engineering students on the coastal defence plans for Weston Shore. They demonstrated the impact of different defence options using a wave tank and students had the opportunity to design their own engineering solution to the problem. As always, our students were brilliant ambassadors for the school - thank you.
2. Today is the last day that our Year 11 students are expected in for lessons. From Monday, they will be expected in for revision sessions and the remainder of their exams. They are doing so well and we continue to wish them the best of luck.
3. You may have seen the Daily Echo yesterday and the news that WSS has been awarded £5.5 million:  
<https://www.dailyecho.co.uk/news/20195613.weston-secondary-school-given-consent-build-sports-hall/> Work has already started in the school and over the next 18-24 months, we are looking forward to a new Sports Hall, new Library, new Careers Hub, refurbished classrooms and new changing rooms and toilets. I am looking forward to being able to invite you in to tour our new facilities once the building work has been completed.

This week, this letter has been translated for our Polish community. If any parents or carers are able to help us translate into any other languages spoken by our students (we do have over 55 languages spoken here) however I am looking initially for members of our community who could help us to translate communications into Romanian, Farsi, Pashto. We would pay you for your time.

Have a lovely weekend.

With kind regards,

Louisa Paston  
Headteacher
