Dear WSS Community,

I hope that this email finds you well. As always, a video version of this email is available [here](#).

Our three things to share this week are:

1. Our breakfast club has been really popular this week and over 40 students have joined us each morning. Breakfast club is available for all students and will continue in September. It runs in the Hall and is available from 07.30 to 08.15am every morning.
2. Due to the heatwave that is coming next week, we have made the difficult decision to cancel Sports Day on Tuesday. We will still end at 1.30pm on Tuesday afternoon.
3. A further change for next week to take account of the heatwave is that students have been advised that they can, if they want, come to school in their Weston Secondary School or Chamberlayne PE kit. Please remind them to bring plenty of water - we do make this available during the day however it is vital that our students stay hydrated.

This week, this letter has been translated for our Polish community. If any parents or carers are able to help us translate into any other languages spoken by our students (we do have over 55 languages spoken here) however I am looking initially for members of our community who could help us to translate communications into Romanian, Farsi, Pashto. We would pay you for your time.

Have a lovely weekend.

With kind regards,

Louisa Paston
