

4th November 2022

Dear WSS Community,

Weekly Update

I hope that this email finds you well. As always, a video version of this email is available [here](#) and on our Facebook [page](#).

Our three things to share this week are:

1. This week 40 of our year 9 and 10 students went to the Mayflower to watch a performance of The Inspector Calls. As expected, our students were exceptional. The Mayflower staff commented on how organised and calm they were taking their seats in comparison to the what felt like hundreds of other schools around. They all enjoyed the show and the opportunity to eat far too many sweets! They were a delight to take on a trip and a real credit to our school. We are incredibly proud of them and the way they upheld our high expectations and showed the community how fantastic Weston students can be.
2. Please remember to book an appointment if you would like to meet a member of staff the entire team at WSS is working as hard as they can to support our students and are unable to see parents and carers without notice.
3. As part of our drive to support the Weston Secondary School Community, we have established the WSS Acorn Community Hub. On Thursday 10th November from midday until 4pm, we are holding an open afternoon at the Hub. Please drop in for a hot drink and biscuits to talk about any concerns you have and find out about what we can do to support you. It may be linked to your child, any financial concerns you have – anything we can have. We are working with Itchen college so that we can offer adult support sessions for parents and carers. Itchen College have suggested some options, included on the attached flier, however they are open to exploring other ideas. Please can we ask you to complete the attached google form in the next 10 days to register your interest and ideas: <https://forms.gle/EgXr6NneYpAcaTFH6>.

Thank you as ever for your support and have a lovely weekend.

With kind regards,

Louisa Paston
Headteacher
