

Dear Candidate,

Welcome to Weston Secondary School (WSS). I am delighted that you are considering joining us on our exciting journey of school improvement.

Our incredible staff team are dedicated, hard-working, and forward-thinking and maintain the highest of professional standards. I am passionate about empowering staff to be their very best and through our enriching and collaborative CPD programme there are opportunities for you to improve your knowledge, skills and expertise and apply them in your own practice.

At WSS our core values are Aspire, Believe, Achieve.

Our vision is to cultivate a diverse student community characterised by high aspirations and a commitment to personal development. Upholding our values, we aim to provide an enriching curriculum and exceptional teaching that empowers our students to believe in themselves and embrace the courage to pursue their dreams fearlessly.

We have high expectations of our students, and this is represented through our Ready to Learn characteristics.

To demonstrate I am ready to learn I will;

- Arrive to lesson on time with a positive attitude.
- Be organised and equipped to learn.
- Treat everyone with dignity and respect through my words and actions.
- Respect the teacher's right to teach and student's right to learn.
- Actively participate in the learning and take pride in the work I do.

It is our collective responsibility to ensure that all our students, irrespective of background have equal opportunities to succeed. At WSS we expect all lessons to be engaging, adaptive, and challenging for students ensuring they make beyond expected progress and achieve well. It's not acceptable for any students to fall through the net, therefore, we must signpost them to specialist support where necessary.

WSS is a unique and amazing school and in line with our school values, we hope that you join us with high aspirations for yourself, believe that you can succeed and have the confidence and bravery to achieve well. We will help you along the way!

I look forward to meeting you soon,

With best wishes

David Butterworth
