Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

We believe uniform provides a sense of belonging for our students and helps embed our community ethos.

Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include gender, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on gender, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all students.
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all students to style their hair in the way that is appropriate for school yet makes them feel most comfortable.
- Allow students to request changes to swimwear for religious reasons.
- Allow students to wear headscarves and other religious or cultural symbols.

- Allow for adaptations to our policy on the grounds of equality by asking students or their parents/ carers to get in touch with their child’s tutor who can answer questions about the policy and respond to any requests.

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents’/ carers’ ability to ‘shop around’ for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible. At WSS, items specific to the school are:
 - ✓ jumper worn over the shirt.
 - ✓ school tie.
 - ✓ PE t-shirt.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn’t compromise quality and durability.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school’s uniform can act as a social leveller.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items. *If you have old uniform that you no longer need, please bring it back to the school and, if we can sell it, we will do so, and the funds will be donated to our charity of the term.*
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes.
- Consulting with parents, carers and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Additional financial support for uniform

We recognise that some parents/carers may experience some financial hardship. Please check here to see whether you are eligible for Free School Meals: <https://www.gov.uk/apply-free-school-meals> . If you are eligible, students in year 7, will also be able to access a centrally held fund of £75 per student for school resources. These resources could include revision guides, equipment and uniform. Items need to be purchased directly from the school and receipts will not be refunded. If you require support, please contact your Head/Deputy Head of Year or finance@westonsecondary.co.uk.

- Is appropriate for our school's context.
- Is implemented fairly across the school.
- Takes into account the views of parents, carers and students.
- Offers a uniform that is appropriate, practical and safe for all students.

The IGB will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

Lost property

Students are able to check lost property during break times and after school in the Medical Room. Once every term, items which have been handed in will be displayed and students will be able to collect lost belongings.
