Dear Parent/Carer

Year 10 Work Experience Update

Thank you to those who attended the work experiencing parents briefing on Wednesday 22nd January. It was a good opportunity to share the work experience process and take the time to answer any further questions on how best to support your child.

At the parents briefing we distributed a useful guide to support you with the process. Please find a copy of this guide attached, and a digital copy on our website.

To reconfirm, all work experience documentation needs to be completed and returned to school by Friday 19th May 2025.

If your child is following the 'own placement' route, they can collect a form from reception. Alternatively, you can download a copy [here](#).

Should you have any further questions please contact your child's tutor in the first instance.

Yours faithfully

Mr S Robinson
