

# Autumn Term Clubs and Activities

## Artistic Activities (A)

Artistic activities involve creative expression through visual and performing arts. These activities foster creativity, critical thinking, and emotional expression.

## Musical Activities (M)

Musical activities include learning and performing music. Music education helps students develop rhythm, coordination, listening skills, and cultural appreciation. It also supports emotional development and teamwork.

## Sporting Activities (S)

Sporting activities refer to physical education and competitive sports. These activities promote physical health, discipline, teamwork, and resilience.

## Cultural Activities (C)

Cultural activities celebrate traditions, values, and heritage whilst bringing together a diverse selection of students. These activities help students connect with their identity and others' cultures, fostering inclusivity, empathy, and global awareness.
