Dear Parent/Carer

Year 10 Work Experience Update

Thank you to those who attended the work experience parents briefing earlier this year. It was a good opportunity to share the work experience process and take the time to answer any further questions on how best to support your child.

At the parents briefing we distributed a useful guide to support you with the process. A digital copy on this can be found on our website.

To reconfirm, all work experience documentation needs to be completed and returned to school by Friday 5th June 2026.

If your child is following the 'own placement' route, they can collect a form from reception. Alternatively, this too is accessible via our website.

Should you have any further questions please contact your child's tutor in the first instance.

Yours faithfully
