

23<sup>rd</sup> June 2026

Dear parents and carers,

I am writing to inform you that due to the Met Office weather warnings and extreme temperatures expected on Wednesday 24 June and Thursday 25 June the school will be **closed on both days**.

This decision has been made to ensure the health, safety, and wellbeing of all members of our school community during these unusually high temperatures.

During this period of closure, we would encourage students to continue their learning from home. We ask that they access online learning through the following platforms:

Sparx Maths	<a href="#">Sparx Learning - Select School</a>
Sparx Science	<a href="#">Sparx Learning - Select School</a>
Sparx Reader	<a href="#">Sparx Learning - Select School</a>
Seneca	<a href="#">Free Homework &amp; Revision for A Level, GCSE, KS3 &amp; KS2</a>
Oak National Academy	<a href="#">Remote learning   Weston Secondary School</a>

If you consider your child to be vulnerable and in need of attending school during this time, you must complete the form using the following [link](#). Students attending school for this provision will be expected to arrive at 08:50 and will finish at 14:50.

If you have a child in year 10 and they are due to sit a mock examination on either of these days we will be in contact separately to advise of the new day and time.

We appreciate your understanding and cooperation during these challenging circumstances. We will continue to monitor the situation closely and provide any further updates as necessary. Communication will be sent via Bromcom and updates on our social media pages.

If you have any questions or require additional support, please do not hesitate to contact the school.

Yours sincerely

A handwritten signature in black ink, appearing to read 'David Butterworth', with a stylized flourish at the end.

David Butterworth  
**Headteacher**
